Major General L. L. Lemaitre, USA  
Director, Office of Military Assistance  
Office of the Secretary of Defense  
Washington 25, D. C.

Dear General Lemaitre:

After your appearance in CIA last week, I tried to express our appreciation of the talk you gave, but I wish in addition to put our thanks on paper.

It is a very great help to our analysts to hear from one in your position and to have their questions answered so fully and frankly. Your willingness to give the time from a heavy schedule is much appreciated by all of us. Thank you again.

Sincerely yours,
